CLOWNERIE

"A clown is like aspirin only he works twice as fast"
Groucho Marx

"The art of the clown is more profound than we think: it is neither tragic nor comic. It is the comic mirror of tragedy and the tragic mirror of comedy."

Andre Suares

"The clown is a poet in action"
H. Miller

Role and Values of Movement.

The photograph shows a classroom setting where a group of students, all wearing red t-shirts with a white cross logo, are seated in a circle. They appear to be engaged in a discussion or activity. In the background, a teacher or facilitator stands near a large red cross logo on the wall. The room has large windows and a whiteboard. The overall atmosphere is collaborative and focused on the theme of the movement.
